**NOTE FROM THE CONTEST DIRECTORS**

Due to Covid-19, we have decided to run duplicate one-day events, so that flyers can pick their day, & treat it like a day trip, and avoid over-night stays. If you want to fly both days, hotels are open, and camping is permitted on the field. We ask that you practice social distancing and wear masks when in close proximity to other flyers. Bring your own pen or pencil for entering scores. Hand sanitizer and wipes will be available at GHQ.

To honor our flying friend John Houck, we will have a special tribute both days by flying a few of Big John's models. Ships that we've all come to know, love, & fear!!
